UNION HORSES MAY RACE AT MEMPHIS

Captain R. R. Rice Reinstated—Other "Outlaw" Owners Shipping to Montgomery Park—Schorr May Re-enter Game.

REPUBLIC SPECIAL.

Memphis, Tenn., June 20.—According to announcement made here to-day many owners with racing stables who have competed at Union Park, City Park and other tracks "unrecognized" by the Western Jockey Club may come into the local track if they desire.

President Montgomery of the New Memphis Jockey Club and steward in the Western Jockey Club has authority to permit any outlawed owners to change for the club, and he has covenanted to help in raising the race to Captain E. H. Rice, the veteran Arkansas owner whose colors were familiar to racers over the beginning of the field before the American Horse Association and Western Jockey Club.

Captain Rice's stable of nine horses are riding today from Union Park, having been given by Secretary McFarland that they would be allowed to race at the local meeting. Thirteen horses drew to the post, and the betting was an improvement over any seen at the meeting. The postoffice closed down town, and the attendance was the largest of the season. The money taken among the layers from St. Louis who drew in.

A rumor that J. W. Schorr will not deny or accept the \$10,000 fine campaign of a string of horses at the local meeting is said Schorr is after useful selling platforms.
